Notes
There are three dates of birth in various records for Princess. The Hill Family Bible shows November 1, 1850, her Confederate Widow's
pension application shows November 18, 1850 and her death certificate shows November 23, 1850. I am drawing no conclusion at this
point as to which is correct.

Child: James C. Pickard

Born: 22 June 1876

Source: Cemetery Records of Lauderdale County, Mississippi, Volume I, Cecilia Hobgood and Ann Clayton, Page 262, There is a listing for James Oliver Pickard near other Pickards that are children of Sarah and Henry. The books authors have a question mark after the Oliver as if they were unsure of the middle name. I am assuming this is the same James that is listed with Sarah and Henry as a child. The age range is correct.
